25X1A 2. [ ] Comment. A major ordnance depot and a maintenance shop of the Twenty-fourth  
Air Army are located in Strausberg.

25X1A 3. [ ] Comment. Possibly equipment for units stationed at the Kindel or Ohrdruf  
troop training grounds.

25X1A 4. [ ] Comment. Since recently, tanks have repeatedly been shipped from the USSR  
to the tank repair shop of the GDFG in Kirchmoeser and Wuensdorf.  
. However, the dispatch of damaged tanks from the USSR to the two  
installations mentioned would be unusual and therefore requires confirmation.
